

NAME: _____

DATE: _____

1.

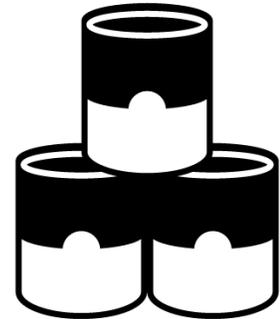

Hello, my name is Carty. Welcome to my grocery store! Why don't we take a tour and see just how many items can be recycled! Grab your shopping cart and let's begin!

2.

While at the grocery store, you will find lots of different kinds of canned vegetables. Write the name of your favorite vegetables on each can.

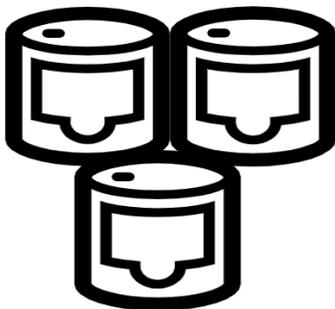

VEGETABLES

3.

Now, we are in the soup aisle. Look at all of the choices you have to make a delicious and healthy hot bowl of soup!

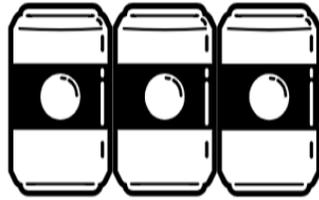

SOUPS

What Kinds of Soups Can You Name?

4.

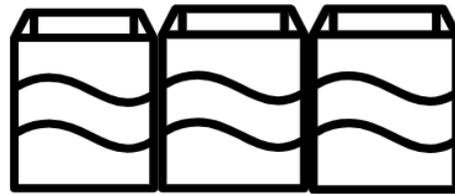

Let's write the names of your favorite soft drinks and juices on the cans below!

5.

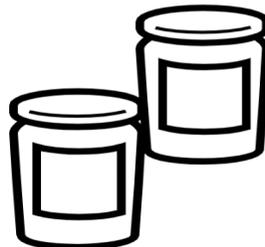

Now we're in the cereal aisle. Wow, look at all of these choices that you have! On each box, color it the color of your favorite cereal. Remember, cardboard can be recycled!

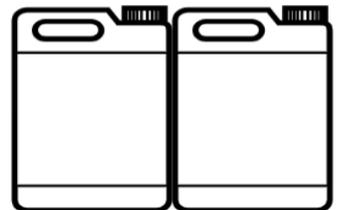

6.

Now we're going down the jelly aisle. Most of these items are in glass jars and can be recycled. What is your favorite jelly? Write the name of it on the glass jars.

7.

We're now in the detergent aisle. Write the name on the plastic containers just like the ones your mom uses at home.

Your tour ends here, but it's just the beginning for the items that you recycle! After you use them, their tour continues. Soon, they will begin a new tour as a brand new product!

As always, **REMEMBER TO RECYCLE!**

Trash Can Last A Very Long Time!

YOU can reduce the amount of trash that your family produces by paying close attention to what you buy. Buy only what you will use, and then reuse and recycle what you can.

Can you guess how long it takes for these things to decompose?

Circle your answer.
